

NORTHERN ORYX SAFARI **4 DAYS SWEET WATERS, SAMBURU, ROAD PACKAGE**

Day 1

Sweet waters Sanctuary

Upon arrival at the Jomo Kenyatta international airport, you will be driven to Sweet waters Sanctuary located in Nanyuki. A sheltered oasis clustered around a waterhole and set in the pristine calm of its own private reserve, Sweet waters Tented Camp is in a class of its own. Abounding with wildlife, unfettered by the more rigorous strictures of the Kenyan National Parks and designed to offer a charming blend of under canvas ambiance and uncompromising luxury, it has long been the preferred retreat of wilderness and safari lovers alike. One of only four private game reserves in Kenya, Sweet waters excels in the provision of privileged seclusion and private game viewing. Thanks to its private status it also allows such unforgettable pleasures as night game drives, guided bush walks and both horse or camel riding across its game-teaming plains.

Built in the 1970s, SWEET WATERS TENTED CAMP (the Camp's main building) was originally the residence of the ranch manager of this private reserve. Both the Sweet waters Game Reserve and the sumptuous Ol Pejeta Ranch were once the private domain of famed multi-millionaire, Adnan Kashoggi. The reserve comprises extensive savannah grasslands and the riverine forests that border the Ewaso Nyiro River. Abounding with wildlife, it has long been the preferred retreat of wilderness and safari lovers alike.

Sweet waters Chimpanzee Sanctuary

Established in cooperation with the Kenya Wildlife Service and the Jane Goodall Institute for Conservation Projects for Chimpanzees throughout the World, the 1 km sq sanctuary is a non-profit-making venture and the only sanctuary of its kind in Kenya. A gentle and charming diversion for children and adults alike, it offers visitors the unique opportunity of taking a boat ride on the Ewaso Nyiro River, which flows through the centre of the sanctuary where 26 orphaned chimps enjoy the peace and harmony of their natural environment.

Day 2

Samburu

After breakfast you will be driven north, eventually reaching a dusty outpost known as Isiolo, the last major stop on the journey into the remote northern frontier district. From here it's a fairly short hop to Samburu. Arrival at your lodge in time for lunch. Samburu lies on the fringes of the vast and arid desert once known as the Northern Frontier District, whose heat-scorched scrublands extend all the way to the jade-green waters of Lake Turkana and beyond. Physically dramatic, the 104 sq kilometer landscape of the Reserve features rocky battlements, craggy scarps, dry river beds and fallen boulders rising out of the thorn scrub against a backdrop of the far-distant hills and the great red table mountain known as Lololokwi.

As for wildlife, Samburu provides one of the few sanctuaries in Kenya for the endangered Grevy's zebra, the rare beisa Oryx and the blue-shanked Somali ostrich whilst large herds of elephant roam the gaunt hills during the day before returning to bathe on the banks of the river in the evening.

In January 2002 a lioness in Samburu National Reserve, Northern Kenya astonished the scientific world by adopting a young Oryx calf. Kamuniak ó or The Blessed One - as the lioness has been christened by local people was separated from the calf for fear of the calf dying from hunger. The Oryx was taken to Lewa downs conservancy.

You will have a late afternoon game drive returning to the lodge as the sun sets.
